

New Source Review newspaper advertisements for construction permit applications, September 30, 2004. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: September 28, September 29, or September 30, 2004. Public notices are generally published every two weeks. The previous publication of public notices was September 14 – 16, 2004.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction of air contaminant sources as noted below. The proposed construction is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Nolichuckey Sand Company with a mailing address of P.O. Box 7, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number: 30-0032-02/57608) for construction of a Portable Screening Unit at 1980 Greystone Road, Greeneville, TN 37743. This proposed operation would consist of an 8 ft. x 12 ft. screen used to separate crushed stone. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. T. Blake is the assigned Division person.

For the Greene County “Greeneville Sun”--published once on or before Thursday, September 30, 2004.

The applicant is Federal Materials Concrete with a mailing address of 2425 Wayne Sullivan Drive, Paducah, KY 42003. They seek to obtain an air contaminant permit (Division identification number: 40-0110-01/57329) for a Concrete Batch Plant at 75 Recycling Drive, Paris, TN 38242. This existing operation consists of gravel and sand stockpiles, concrete and fly ash silos, and associated equipment used to produce ready mix concrete. A baghouse is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted from this source. Mr. Jim A. Attar is the assigned Division person.

For the Henry County “Paris Post- Intelligencer”--published once on or before Thursday, September 30, 2004.

The applicant is Quality Industries, Inc. with a mailing address of P.O. Box 7016, LaVergne, TN 37086. They seek to obtain an air contaminant permit (Division identification number: 75-0171-02/57439) for construction of a Surface Coating Operation at 130 Jones Boulevard, LaVergne, TN 37086. This proposed operation would consist of two (2) spray booths for coating of miscellaneous metal parts, with two (2) natural gas-fired ovens, a

heated drying room, and hand wipe and cleaning of miscellaneous metal parts. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. H. Flores is the assigned Division person.

For the Rutherford County "Daily News Journal"--published once on or before Thursday, September 30, 2004.

The applicant is Vulcan Materials Company-Midsouth Division with a mailing address of P.O. Box 7, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number: 78-0103-02/57578) for construction of a Diesel-Powered Electric Generator at 3360 Winfield Dunn Highway, Kodak, TN 37764. This proposed operation would consist of one (1) diesel-fired generator used to provide power for an existing rock crushing operation. Turbo charged after-cooling would be used as pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Martin is the assigned Division person.

For the Sevier County "Mountain Press"--published once on or before Thursday, September 30, 2004.
